

Board Action Request

SUBJECT: Purchase of a Ferno power gurney

DATE: 10/26/2020

FROM: Deputy Chief Rivera

Background: With the purchase of a new Ambulance the need for a new ambulance gurney is being requested. Our new ambulances have an Ferno INX gurney. These gurneys are designed to assist the user to load into the unit.

Fiscal Impact: \$45,586.97 to Ferno for a complete ambulance power gurney system. This gurney is only available from Ferno and matches the other unit for user use, and for maintenance.

Alternate Option: Board recommendation

Staff Recommendation: Approve the purchase of the Ferno INX power gurney

Proposed Motion: Motion to authorize the purchase of INX power gurney from Ferno in the amount of \$45,586.97.
