Programs Selected And Invalid

Fiat Chrysler Automobiles will screen for compatibility the incentives displayed in this Configurator report only if dealer satisfies the conditions set forth herein.

- Dealers are required to verify that the customer and vehicle, including any customer provided documentation, meet all selected program eligibility requirements and adhere to all Incentive Program Rules Manual (Gold book) requirements, including, without limitation, any financing options available from any financial institution.
- Lease rates and residuals are for display purposes only. The customer and vehicle must meet the eligibility requirements of the financial institution.
- Consumer incentives must be shown on the buyer's order in accordance with the Program Rules Manual.
- Incentives are only provided for the specific VIN shown on the printed summary page.
- All incentive claims and payments, including those submitted via the Incentives Configurator and deemed -eligible- or -compatible-, are still subject to verification by audit and chargeback. Dealer remains responsible for verifying the accuracy and authenticity of all documents and information submitted via the Incentives Configurator.

Note that Holdback and Supplemental Floorplan monies are paid to the invoicing dealer only, no payment will be made to any other dealer. Objective programs will not display an Incentive amount as objective calculations are performed at the end of the program period.

Dealer must also print the summary page - dated the same day as the buyers order - and retain this document in the deal jacket.
