

In these most difficult times, everyone at 7710 Insurance hopes all first responders are safe as they tend to the needs of the community.

We understand there are many things on your plate right now and want to make your choice for workers compensation as easy and seamless as possible. We appreciate the confidence you have in 7710 Insurance to be your workers compensation insurance carrier in Arizona.

As you think about your renewal options we wanted to point out the kinds of services and benefits you currently receive with 7710 Insurance:

- Guaranteed Cost
- No assessments
- Reinsurance program with limits up to \$20 million with A-rated reinsurers
- Currently insuring over \$500 million of payroll for first responders in 34 states
- Safety and Fitness Lunch and Learns provided by first responders
- Competitive pricing based on your experience mod
- Fair, fast claims service
- Claims reviews
- Access to company executives
- Access to Tactical Athlete (TAHPI), pro sports type access to care for first responders and their families at discounted rates.

In this financially uncertain time, 7710 Insurance remains a fiscally reliable workers compensation option for your fire district. Just as you are strong in the service to your community, 7710 Insurance is unwavering in its commitment to provide the best workers compensation plans for the most economic price to Arizona tax payers.

Respectfully,

Bill Adamson

CEO
