Staff Report

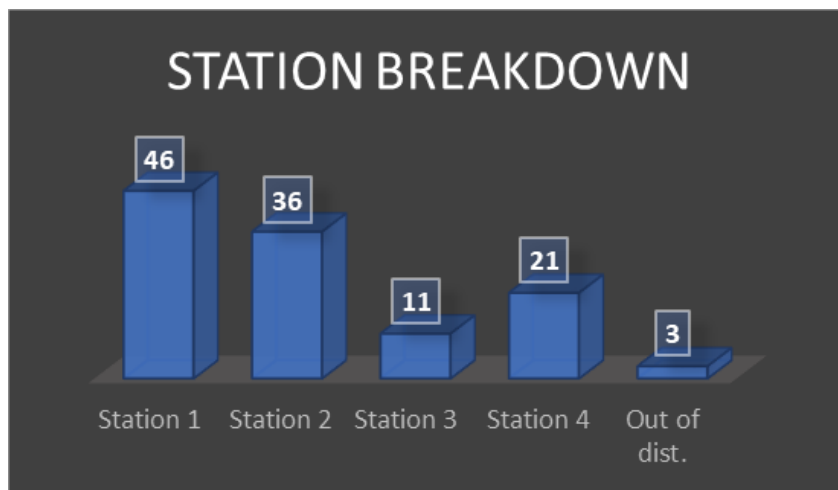

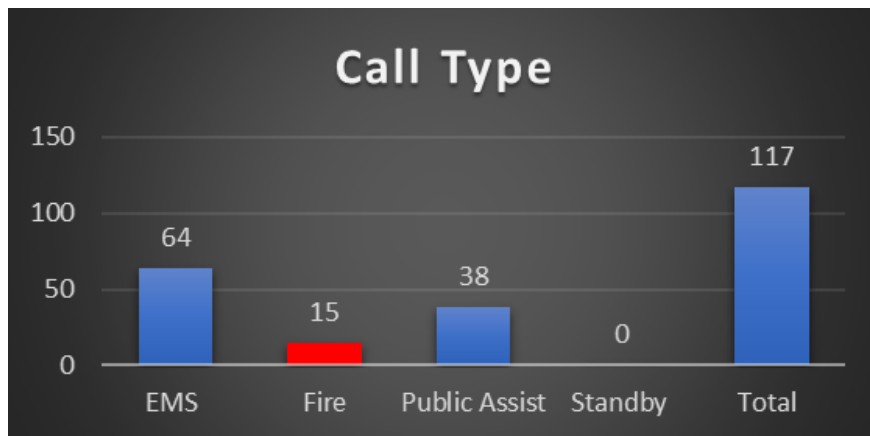

The mission of the Tubac Fire District is to create a safer environment within our community in order to increase the quality of life which our citizens may enjoy.

Operations Update

Annual Data

June 2020 Data

The above chart reflects unique incidents by station, not total number of unit responses. For example for a motor vehicle accident (MVA), more than one TFD unit will respond to the call, which is tracked as one unique incident for the primary responding unit.

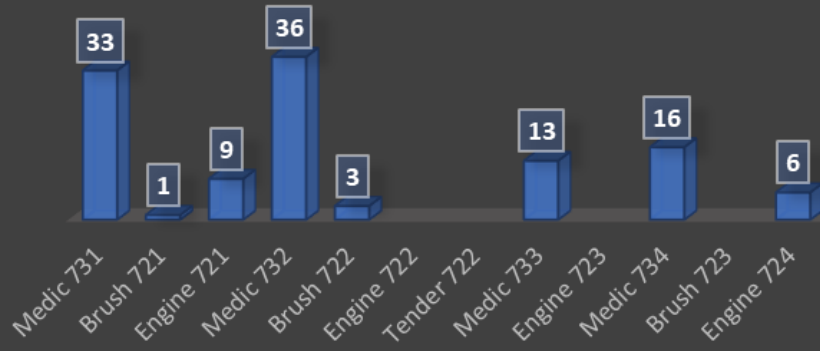

Station 1 – Average 50 unique incidents per month

Station 2 – Average 51 unique incidents per month

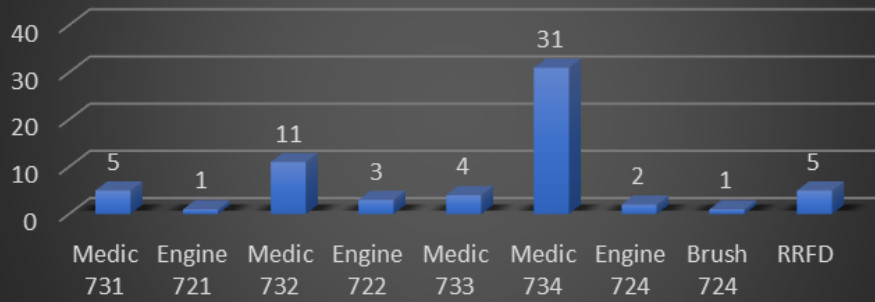

Station 3 – Average 10 unique incidents per month

Station 4 – Average 19 unique incidents per month
