Dear Chief Horvath:

Thank you for your recent proposal to the Tubac Health Care Foundation for funding for an EMT to attend the Paramedic Transition Program at Pima Community College. I am pleased to tell you that the Board of Directors has approved your application to fund a student this year. We are enclosing a check for your request (\$7,500).

We hope you will communicate with us regularly throughout the length of the project, but we require a final report at the end of this project on or around April 1, 2022. Your report should include a description of the project objectives, the progress of each objective, and a statement of the amount of THCF funds expended. We also ask that notices or advertisements you post regarding this project acknowledge the Tubac Health Care Foundation as a sponsor.

We wish you the best and look forward to hearing from you as your project unfolds.

Sincerely yours,

A handwritten signature in cursive script that reads "Cassandra Pundt".
